WALL SYSTEMS

MetLife, Inc.—Cary, North Carolina

PROJECT PROFILE

MetLife, Inc. is a leading global provider of insurance, annuities and employee benefit programs, serving 90 million customers. Through its subsidiaries and affiliates, MetLife holds leading market positions in the United States, Japan, Latin America, Europe, the Middle East and Asia.

MetLife's impressive new Cary, North Carolina location is designated as the hub for the company's Global Technology and Operations organization, bringing thousands of new jobs to the area. The Architects for the project, Washington, D.C. – based STUDIOS Architecture, sought a stunning, contemporary frameless glass system to complete the sophisticated new office space they proposed.

SOLUTION

Nello's Clarity frameless glass wall system was selected as the ideal design solution. The minimalist system enabled the creation of an elegant yet flexible environment that could readily adapt to a growing and changing organization with little disruption, dust, downtime, and dollars. Completely frameless, Clarity is as sleek and beautiful as it is cost-effective. Nello provided over 200 offices and conference rooms in two buildings, as well as an assortment of pivot and sliding door systems.
